

SMART100

LEADERSHIP • STRATEGY • CHARACTER

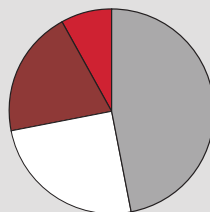

SmartCEO is proud to announce the 2009 Smart100 participants!

Smart100 is an exclusive group of 100 CEOs assembled by an independent selection committee. Smart100 is not chosen based on the growth of the organization. A Smart100 CEO is selected for his or her **Leadership, Strategic Vision** and **Character**. As a selected member of the Smart100, these CEOs' successes, leadership philosophies, and character will be a source of education and inspiration to SmartCEO readers. Over 200 nominations were submitted for this prestigious honor. These are the thought leaders of today's businesses in Greater Washington. Look for their stories in the Smart100 supplement set to debut spring 2009 and at SmartCEO's events throughout the year.
